Dear Sir/Madam:

This response is being submitted in response to the Notice of Non-Compliant Amendment mailed on July 5, 2006, with claims which are not relevant for the instant response which was limited only to drawings.

The re-submitted drawings were in response to the Notice of Draftsperson's Patent Drawing Review, as previously indicated. Moreover, they were the best available drawings provided by the client. We enclose further copies of the drawings on better paper with the appropriate markings thereon.

If these drawings require further clarification, please contact the undersigned.

We also enclose a one-month petition for an extension of time.

Respectfully submitted,

Date: 7-12-06
